Non Material Amendment(s) Sought

Non-material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

The approved drawings show two windows in the new rear outrigger dormer. One face North to the rear and one faces East to the side. The proposed amendment is to have a single corner window, facing North and East. The proportions are similar to those next door at 5 Cardigan Road so that the proposals will be more consistent with the other half of the semi-detached house pair.

Please state why you wish to make this amendment

We intended to make this amendment to consolidate the windows into one rather than having two to manage and plan around. The window provides slightly more oblique views rather than direct views of other properties on Meredyth Road. It is also visually more consistent with no.5 Cardigan Road.

Are you intending to substitute amended plans or drawings?

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

- Yes
- No
