### Comments

**Type of comment:** Object to the proposal

**Comment:** As someone who lives virtually opposite DL Hampton, I'd like to oppose to the development of paddle courts on grounds of serious noise pollution that paddle courts create (as documented by numerous articles published recently). The grounds around DL Hampton are used by us and a number of residents for dog walking and the noise that paddle courts create has been often described as gun shots, please do not let our Hampton Heath be spoiled for us, please do your research into development of paddle courts with due diligence.  
Thank you.
