Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

Yes

No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The proposal is for a single-storey rear extension to a bungalow, extending 3 meters from the rear wall with an eaves height of 3 meters, to enhance the living and dining space of the family home, using materials to match the existing property.

Does the proposal consist of, or include, a change of use of the land or building(s)?

Yes

No

Has the proposal been started?

Yes

No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing use of the land and building is lawful because the property has always been a residential home (Class C3) and there's no record of any planning breaches or enforcement issues. The proposed extension meets all the requirements for permitted development under the current planning regulations, and we've ensured it complies with the rules for rear extensions. The attached plans show how it fits within the guidelines.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

- Permanent
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

A Lawful Development Certificate should be granted for this proposal because the rear extension fully complies with the criteria set out under permitted development rights in the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). The extension will not exceed the maximum allowed dimensions, uses materials matching the existing property, and includes no elements that would require separate planning permission. The plans and details provided demonstrate that the proposal meets all legal requirements for lawful development.
