

Specifications of Refuse Storage:

(H) 1200mm x (W) 1920mm x (D) 804mm

General Waste: Each store accommodates 1 x 240L wheelie bin for general waste.

Recycling: Space for 4 recycling boxes per store, ensuring adequate separation of recyclable materials (e.g., paper, plastics, and metals).

Location: Storage units shall be placed discreetly to ensure they are easily accessible by residents while safeguarding the aesthetic appearance of the development and surrounding area.

Additional Measures: Food waste bins (23L) will be stored separately and moved to the front on collection days.

OCCUPANTS TO MOVE BINS TO THE BOTTOM OF THE DRIVEWAY BETWEEN 116-118 ON BIN COLLECTION DAY.
