Located behind Normansfield Playground, Langdon Park, Hampton Wick, London Borough of Richmond upon Thames, TW11 9PR

Description of works:

Multi-stemmed mature Holm Oak tree – Loss of major limb, split trunk, unsafe. The tree is high risk as it is on a major footpath and numerous permissive footpaths which are well used.

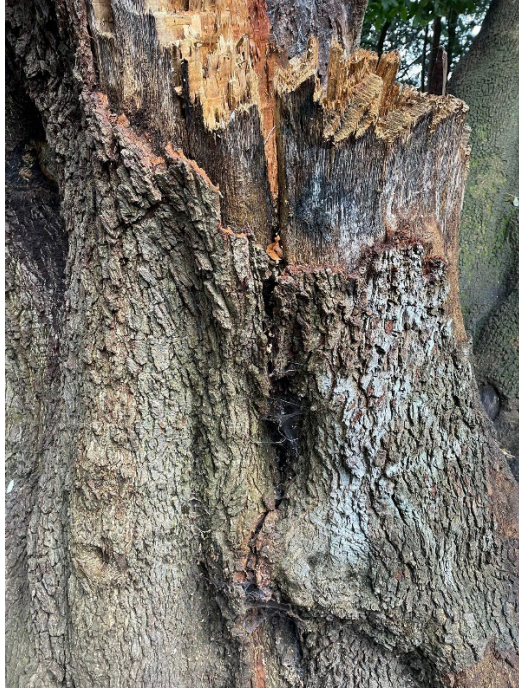

Reduce and reshape by 2-3 meters, remove deadwood. Affix cobra bracing to support and stabilise tree.

The tree is located within Normansfield Conservation Area 59, I am unaware if this tree has a TPO as unable to check online.
