Type of comment: Object to the proposal

Comment: I live at 6 Beverley Gardens and am objecting to the proposed developments based on lack of privacy for my neighbours, primarily at numbers 5, 7 and 8 Beverley Gardens and 7 Scarth Road, plus an increased lack of privacy for myself, when in our bedrooms. The house caused quite some upset with neighbours when it was originally built and the surrounding families worked in consultation with the owners in 2010, to settle on a design that was more 'neighbourhood friendly'. What is being proposed stomps all over those original considerations. I find it curious that the house is already in such contrast to the surrounding streetscape, yet more changes are being proposed. I request the application be denied.
