Type of comment: Object to the proposal

Comment: My husband and I own 24 Beverley Road and 17 Beverley Gardens overlooks my garden and the entire of the back of my property, as it does, 20,21, 22 and 23. I strongly object to the plans. I also object to the timing of the application as we have been away and only upon our return do we see the proposed application for intense changes both above and below ground. Submitting an application just prior to Christmas and with the deadline being today does not give one sufficient time to gather comprehensive feedback. This is a very serious issue for the neighbours and requires proper consultation.
