### Comments

**Type of comment:** Object to the proposal

**Comment:** I object to the application on the following grounds

1. there used to be a small cottage in an apple orchard ,now we have a huge house with an enormous wall ,blocking our morning light. I do not want this to be increased, house square meters versus greenspace
- 2.I was, at the time ,under the belief that the huge square meter increase would not affect us but I was wrong, this further increase in square footage of 59 square meters should not be allowed to proceed
- 3.My wife and I own 21 Beverley Road that backs on to 17 Beverley Gardens which overlooks our garden and the entire of the back of my property.
- 4.The application letter dated 27/12/24 arrived whilst we were away over Christmas and I was surprised today to find today is the last day of objection with little time to make further investigations
