### Comments

**Type of comment:** Object to the proposal

**Comment:** With my husband, I am the joint owner of 25 Beverley Road, 17 Beverley Gardens overlooks my property. I strongly object to the plans. I also object to the timing of the application as it was submitted just before Christmas when most people are away. The deadline today is unrealistic to gather comprehensive feedback. This is a very serious issue for the neighbours and requires proper consultation.

1. The existing building isn't in keeping with the style of architecture of the surrounding houses in Beverley Road, Beverley Gardens, Brook Gardens and Scarth Road (2). The existing plot has already been built on to provide adequate housing and accommodation for a plot of that size (3). Any additional construction could be viewed as an excessive over development of the site (4) Any removal of trees or planting would be detrimental to the environment and the immediate neighbours (5). Any building would create an infringement of privacy (6). I am very disappointed that they did not consult neighbours ahead of submitting plans which were submitted between Christmas and New year which meant that neighbours were possibly not immediately aware of the application
