Type of comment: Object to the proposal

Comment: I strongly disagree and object the proposal. This will be a lot of inconvenience to the people already living in the building and also an overdevelopment and will not look good as an addition to the building.

We were promised by the developer on sale of the building that there will be no further development added.

Also, there is no parking on the road! Council has rejected this before twice, how can you entertain it again just because they pay a application fee!
