Type of comment: Object to the proposal

Comment: I cannot believe council is allowing abuse by the developer. I disagree and object the proposal. It was rejected in the past for a reason and I think you should take into account the views of the current residents and disallow then take liberties.

This is overdevelopment in the building and will cause longterm issues to the area in terms of parking, inconvenience and burden on schools and services, etc.

Please reject the planning else we all residents of the area will protest cumulatively to stop this proceeding further!
