### Comments

**Type of comment:** Object to the proposal

**Comment:** Agree with others, it is a pity that council is falling for this developer who has been rejected in past. This is an unacceptable development proposal and should be rejected.

The size of the building will be a major issue for many and the ugly bulk on the top will not match with surrounding.

Also, what stops them here, there are adjacent buildings who will then apply for same planning once a precedent is set.

Please reject.
