For the avoidance of doubt the drawing numbers to which this decision refers are as follows:- 3808 received on 13 February 2007.

Reason for granting:

The proposal has been considered in the light of the Development Plan, comments from statutory consultees and third parties (where relevant) and compliance with Supplementary Planning Guidance as appropriate. It has been concluded that there is not a demonstrable harm to interests of acknowledged importance caused by the development that justifies withholding planning permission. The proposed development would not result in an overbearing impact, or loss of light, outlook or privacy to neighbouring properties, and would not detract from the character and appearance of the building or the surrounding area.

Principal Policies:

The following have been taken into account in the consideration of this proposal:-
Unitary Development Plan - First Review 2005 policies BLT 11, 15, 16

This permission is NOT a consent under the Building Regulations for which a separate application should be made. For application forms and advice please contact the Building Control Section of the Street Scene department, 2nd floor, Civic Centre, 44 York Street, Twickenham, TW1 3BZ. (Tel: 020 8891 1411).

Care should be taken to ensure that no damage is caused to the public highway adjacent to the site during demolition and/or construction. The Council will seek to recover any expenses incurred in repairing or making good such damage from the owner of the land in question or the person causing or responsible for the damage.

You are recommended to prepare a survey, including photographs, of the condition of the adjacent public highway, including pavement, which should be sent to the Local Highway Authority prior to the commencement of work to ensure that damage to the highway is prevented or repaired. Otherwise you and/or your contractor, may be held responsible for any damage found on completion of the works.

If the pavement is already broken or damaged you should contact Traffic and Transport, London Borough of Richmond upon Thames, 44 York Street, Twickenham TW1 3BZ (Telephone 020 8891 1411) to arrange a joint inspection of the footway before work commences.
