NOTES FOR APPLICANTS

1. Regulation 6 of the Planning (Listed Buildings and Conservation Areas) Regulations 1990 provides that the local planning authority shall not entertain an application for conservation area consent unless it is accompanied by certain certificates. This is designed to secure that owners of a building are given notice of applications relating to their building. It is the duty of applicants to give the necessary notices, and to provide the appropriate certificates; copies of these certificates are set out on pages 3 and 4. You should therefore read the paragraphs below, which summarise the material provisions of the Regulation, and then complete and sign the appropriate certificate.
2. If you are the freeholder or tenant of the building to which the application relates you should complete certificate A.
3. If you are not the freeholder or tenant of the building to which the application relates you should take one of the following three courses:—
 - (a) If you know the names and addresses of all the owners of the building to which the application relates, you should give them notice in the prescribed form and complete certificate B.
 - (b) If you know the names and addresses of some of the owners of the building to which the application relates, but not all of them, you should give notice in the prescribed form to those whose names and addresses you know, and also give notice of the application in a local newspaper, in the prescribed form. The newspaper notice should be published not earlier than twenty days before the date of the application. You should then complete certificate C.
 - (c) If you do not know the names and addresses of any of the owners of the building to which the application relates, you should give notice of the application in a local newspaper, in the prescribed form. This notice should be published not earlier than twenty days before the date of the application. You should then complete certificate D.
4. Any person who knowingly or recklessly issues a certificate which contains any statement which is false or misleading in a material particular is liable on conviction to a fine not exceeding £100.
5. The "prescribed forms of notice" referred to in paragraph 3 of these notes are set out in Part I of Schedule 2 to the Planning (Listed Buildings and Conservation Areas) Regulations 1990.
