YES | NO |

7	If the proposal consists of, or includes, carrying out building or other operations give a detailed
	description of all* such operations and attach such plans or drawings are necessary to show their
	precise nature. (In the case of a proposed building the plan should indicate its precise siting and
	exact dimensions and also show the existing layout.)

SEE PLANS ENC

- 8 If the proposal relates to a change of use of the land or building(s):-
  - (1) give a full description of the scale and nature of the proposed use, including the processes to be carried on, any machinery to be installed, and the hours the proposed use will be carried on;

(2) describe fully the existing use or the last known use, with the date when this use ceased.

(continue on a separate sheet if necessary)

Explain briefly why you consider the existing, or last, use of the land is lawful, or why you consider that any existing buildings which it is proposed to alter or extend are lawful. (You can use section 12 of this application to state your case more fully).
