With regard to condition LA07 (paragraph 7 of Ash Design's letter dated 31 August 1994) it is suggested that a tree planting scheme indicating size, species and positioning of trees is submitted to the Planning office as early as possible. Subject to agreement thereof by the Local Planning Authority condition LA07 will be satisfied if the planting is carried out in the planting season finishing in April 1995. If this is not done then you will need to seek a variation of the condition but this should not be necessary given the timescale indicated in paragraph 7.
