### Comments

**Type of comment:** Object to the proposal

**Comment:** This proposal does the riverside and local community no favours. It benefits a few not a majority. It is an unaesthetic and impractical proposal. Most of the support is from people who do not live nearby. It will create noise and litter with yet another pub, detract from sunlight and sky view with overbearing building (5 storey on Wharf Lane) reduce green space even further, destroy the children's playground and Jubilee Gardens and Cafe Sunshine, cause disruption for years at a difficult time for most, cause major traffic and parking issues permanently and delivery problems for the residents of the Embankment and Eel Pie Island. The Council will likely not be re-elected if this development takes place and Munira Wilson will lose votes if she puts Westminster before her constituency.
