### Comments

**Type of comment:** Object to the proposal

**Comment:** The proposed development is not sympathetic to the site and the local environment. A five story building will "overdevelop" the riverside and is out of keeping with the area.

Public space (Jubilee Gardens) will be lost.

Forty-five new residences will generate additional traffic and will lead to local congestion at the same time as parking provision will be removed from the riverside.

After so many years and so many proposals this is a disappointing proposal and a missed opportunity!
