Type of comment: Object to the proposal

Comment: I am a Blue Badge user and have limited mobility. The traffic movement and parking issues will affect my ability to visit the riverside as often as I do at present, if at all. The Diamond Jubilee Gardens are at present a safe and traffic free flat area and this is appreciated by the elderly and people in my position. They should remain as they are. The terraced grass, steep stone steps and the road with cyclists, scooters and articulated lorries all using it is not appropriate for people like me. I object to this proposal.
