

## Comment on a planning application

### Application Details

**Application:** 21/3107/FUL

**Address:** Barnes Hospital South Worple Way East Sheen London SW14 8SU

**Proposal:** Drop-in full application to supersede residential development zone of previously approved Outline planning permission 18/3642/OUT. Demolition of existing structures and redevelopment of site including construction of three new buildings comprising 106 residential units of mixed tenure (Use Class C3), alterations and conversion of two existing buildings for 3 residential use (Use Class C3), car and cycle parking, landscaping and associated works.

### Comments Made By

**Name:** Mr. Andrew Bascombe

**Address:** 6 Rossllyn Avenue Barnes London SW13 0JX

### Comments

**Type of comment:** Object to the proposal

**Comment:** I am very concerned about the increase vehicle use of South Worple Way and White Hart Lane. Should there not be a one way system put in place along S Worple Way? (west to east?). Surely it makes sense to have a one way system within the site also. Access could be achieved through the utilisation of S Worple Avenue and/or the garage adjacent to the South Easter corner of the site
