### Comments

**Type of comment:** Object to the proposal

**Comment:** We really need family housing with parking and outside space in Sheen/Mortlake not lots of small expensive units. We all get that small units make a profit but that doesn't meet the needs of the local area. The plans for the brewery will take care of that market.

Regards cars - We already suffer from ULEZ and deferred movement of cars to parkside plus the we have a new nursery on White Hart Lane . Where will these 100-200 cars park? Do they have sufficient provision within the development for all parking plus visitors.

Using White Hart Lane and South Worple way for traffic is going to cause chaos during construction. Can we have tighter restrictions - I cycle along there regularly but don't fancy my chances coming up against a cement mixer size lorry on the narrow road.
