

Comment on a planning application

Application Details

Application: 21/3107/FUL

Address: Barnes Hospital South Worple Way East Sheen London SW14 8SU

Proposal: Drop-in full application to supersede residential development zone of previously approved Outline planning permission 18/3642/OUT. Demolition of existing structures and redevelopment of site including construction of three new buildings comprising 106 residential units of mixed tenure (Use Class C3), alterations and conversion of two existing buildings for 3 residential use (Use Class C3), car and cycle parking, landscaping and associated works.

Address: 55 Grosvenor Avenue London SW14 8BU

Comments

Type of comment: Object to the proposal

Comment: I am concerned about the density of the units which have significantly increased since the original planning application. This will impact traffic in an already gridlocked area. The upper Richmond road is a major route out of London.

Access to the site is a problem. South Worple way is used by many cyclists and pedestrians.
