

## Comment on a planning application

### Application Details

**Application:** 21/3107/FUL

**Address:** Barnes Hospital South Worple Way East Sheen London SW14 8SU

**Proposal:** Drop-in full application to supersede residential development zone of previously approved Outline planning permission 18/3642/OUT. Demolition of existing structures and redevelopment of site including construction of three new buildings comprising 106 residential units of mixed tenure (Use Class C3), alterations and conversion of two existing buildings for 3 residential use (Use Class C3), car and cycle parking, landscaping and associated works.

### Comments

**Type of comment:** Object to the proposal

**Comment:** The proposed development is of too high a density for its location. Half the number of unit would already cause traffic issues given the number of times a day the railway crossing is closed. The site should be reduced to a more acceptable size and include parking provision for all units.
