### Comments

**Type of comment:** Object to the proposal

**Comment:** The residential buildings should not exceed 5 storeys, otherwise the development would look like the dreadful Wandsworth riverside. The amenities in Mortlake could not possibly cope with an increase of 80% in the population. Is a secondary school really needed here? If so it should have proper sporting facilities and the rest of the development should be scaled back. The congestion on the local roads was bad before Hammersmith Bridge closed and the roads cannot possibly take any more traffic. These proposals need to be scaled back substantially.
