### Comments

**Type of comment:** Object to the proposal

**Comment:** I object to this proposal for the following reasons:

1. The road infrastructure cannot support the massive size of the development; the local area is already frequently gridlocked, especially near Mortlake Green.
2. I don't think building another secondary school is justified.
3. Whilst we need more housing in the area, there aren't enough affordable homes in this development.
4. At 9 storeys, some of the buildings are excessively high.
