

## Comment on a planning application

### Application Details

**Application:** 22/0900/OUT

**Address:** The Stag Brewery Lower Richmond Road Mortlake London SW14 7ET

**Proposal:** Hybrid application to include: 1. Demolition of existing buildings (except the Maltings and the façade of the Bottling Plant and former Hotel), walls, associated structures, site clearance and groundworks, to allow for the comprehensive phased redevelopment of the site: 2. Detailed application for the works to the east side of Ship Lane which comprise: a. Alterations and extensions to existing buildings and erection of buildings varying in height from 3 to 9 storeys plus a basement of one to two storeys below ground to allow for residential apartments; flexible use floorspace for retail, financial and professional services, café/restaurant and drinking establishment uses, offices, non-residential institutions and community use and boathouse; Hotel / public house with accommodation; Cinema and Offices. b. New pedestrian, vehicle and cycle accesses and internal routes, and associated highway works. c. Provision of on-site cycle, vehicle and servicing parking at surface and basement level. d. Provision of public open space, amenity and play space and landscaping. e. Flood defence and towpath works. f. Installation of plant and energy equipment. 3. Outline application, with all matters reserved for works to the west of Ship Lane which comprise: a. The erection of a single storey basement and buildings varying in height from 3 to 8 storeys. b. Residential development. c. Provision of on-site cycle, vehicle and servicing parking. d. Provision of public open space, amenity and play space and landscaping. e. New pedestrian, vehicle and cycle accesses and internal routes, and associated highways works.

### Comments Made By

**Name:** Mrs. Jane Wallis

**Address:** Flat 7 Capatus House 73 Mortlake High Street Mortlake London SW14 8HL

### Comments

**Type of comment:** Object to the proposal

**Comment:** Objecting to the monstrous planning proposal which will ruin the skyline and atmosphere of this leafy part of London beside the River Thames. The pollution and traffic that will accumulate during the proposed build and thereafter will be impossible with a toxic build up between Hammersmith Bridge and the busy South West rail line. The loss of green space and trees will exacerbate this pollution swarm. The planners need to rethink their strategy and build.
