Subject: Stag Brewery Objection

[REDACTED]

I'm writing to express concerns to this development.

Until the traffic situation around the Upper Richmond Road, Clifford Avenue, The Lower Richmond Road and Hammersmith Bridge have been resolved - it would be reckless to willingly introduce either site traffic or more residential traffic to this most congested corner of SW London. It regularly takes me 40 minutes to get 1.5 miles across Kew Bridge to access the M4 - this is totally unacceptable.

Please take this as the view of my entire street of Temple Sheen SW14 7RP - we held a meeting at the weekend and this is the unanimous consensus of over 50 households.

Thanks for your consideration

Ben Hampshire
